September 2009

Follow **your** yellow brick road.

Greetings!

A million angel hugs to each and every one of you who has taken the journey one step at a time during the past nine months. Here we are in September - without a doubt the most spiritual month of all. September is a nine month. Nine signifies the Universe, Communication, Endings that bring upon beginnings, hence a spiritual feng shui. Adding to the intensity of September is the fact that this is the time of the Autumnal Equinox which occurred September 22 at 5:19 am in the Northern Hemisphere.

The Autumnal Equinox is an amazing period which brings a super surge of energy to the universe. This is the time to realize that now is the time to finish that project, get all the sweeping, dusting, and cleaning that you have been avoiding - DONE! Make that budget (and stick to it) and contact those that have fallen off your radar. In short, give back. As this glorious month comes to an end, may each and every one of you see the golden opportunities and blessings ahead!

A MESSAGE FROM ARCHANGEL URIEL

Archangel Uriel, the angel of September, is often referred to as the Angel of Light. Uriel has been speaking to me a lot in the past 6 weeks regarding the many people that he tells me are searching and searching and never realize what is before their very eyes. He was very adamant that this is what I am to address in the September newsletter. It seemed that no matter what I wrote Uriel told me it was not up to his angel standards.

So out of complete frustration and, to be totally honest, needing a break, my husband, Nick and I went to see the 70th Anniversary, digital HD version, of L. Frank Baum's "The Wizard Of Oz". As I sat through the film I knew for sure that it was no accident I was watching it; Uriel had sent us.

The story, as most know, starts out with Dorothy Gayle from Kansas, whose house was lifted off the ground (victim of a massive twister), but lands and kills the Wicked Witch of the East.

Dorothy finds herself in Munchkin Land and, while Munchkin Land is colorful and delightful, she really in her heart needs to get home. In fact, she spends the entire film trying to get back home. At first, it seems to be a physical journey. Ah, but it is so much more than just returning to Kansas

As she prepares to travel the Yellow Brick Road in search of her way back home, she asks Glenda the Good Witch how to get to Oz, being convinced that only the Wizard of Oz can help.

"How can I get there?" asked Dorothy.

"You must walk. It is a long journey, through a country that is sometimes pleasant and sometimes dark and terrible."

So Dorothy and Toto set out on the Yellow Brick Road, the path of golden opportunities. Along the way she meets up with Scarecrow, Tin Man and the Cowardly Lion. They, like her, are seeking answers and need to become whole. She wants to go home; Scare Crow wants a brain, Tin Man a heart and the Lion, courage. In the end, Dorothy finally understands that to get home all she needed to do was look within. They were all on a journey seeking their Ultimate Truth. The truth was that the answers were in them all the time; they just needed to believe and to look within.

That is Uriel's message to you. He wants each and everyone to know for sure what blessed beings you are. Everyone is capable of finding the love, joy and happiness they so desperately seek. Do not be afraid to look inside, to draw upon your wisdom and strength, to call on Uriel any time, any place. He will come. As you start each day take a deep breath, look deep inside, believe, and last, but not least, click your Ruby Slippers three times. ***I know for sure you will be HOME.***
