

Blessings from Susan Lynne

August 2008

Angel Workshop

this Saturday at Bailey's
Walking-After-Midnight
Horse Farm.

Greetings!

This month's newsletter celebrates the abundant and prosperous number 8. The Chinese asked that the start date of the Olympics be changed to 08.08.08 in order to capture the energy of this fortuitous number.

There is so much going on in the Universe right now, as we continue forward in the eighth month of the year, do take the opportunity to manifest and go after your desires and dreams!

There are three times during the month of August where you can really connect with the manifesting energy and abundance of the number eight.

- 1) 08.08.08
- 2) 08.17.08 -- $1+7 = 8$
- 3) 08.26.08 -- $2+6 = 8$

On these days, light one green and one white candle and meditate at least 15 minutes on the areas of your life in which you seek abundance.

Please do make use of this powerful time we are in. Be kind to others and to yourself. Have a blessed August!

Angel Blessings,

Susan Lynne

CRAZY 8

Although the number 8 brings much abundance, it can sometimes bring a number of surprises, particularly in the political arena. Such has been the case this August - a surprising announcement by John Edwards, the terrible conflict between Georgia and Russia. I would really pay attention to the conventions in the coming weeks. Both parties begin their conventions during this powerful eighth month. Trust me, there are going to be surprises.

Both of the presumptive nominees are 2 life paths. As we look back through history, there have been more US Presidents born with a 2 life path number than any other number. The selection of a Vice President has never been more important. Since both Presidential candidates share the 2 life path number, selecting a VP with the most compatible and non-toxic number to their own will provide an energetic edge.

Let's watch closely!

LIGHT & LOVE

I have noticed in the last couple of weeks that many of you have contacted me and are having trouble with closure, especially with those who have passed. I am going to provide you with an exercise you can do that will help.

First, I want to tell each and every one of you that Archangel Raphael has given me a message. On the other side, those who have gone on are happy, content and send you light and love. They want you to let go of regrets and worries. Raphael says that he always hears, "If I only knew what I know now, I could have been happier." Those near and dear to you on the other side, only wish love and happiness for you.

When you go to sleep at night, think of the incident or situation you wish you could have changed. Play this scene in your mind like a film. Now remember, as the Director, when you get to the scene where you wish you had acted differently, STOP THE FILM.

Rewind the film, start over, and when you arrive at the point where you wish a different outcome had occurred, insert the outcome you wish you had taken. If you do this for at least two weeks, you will resolve your pain and also energetically reverse the way it took place in the Universe. Expect a nod of joy and a connection with your loved one letting you know it is okay.
